

# NEW Inspection

On March 1, 2007 Fauquier County will be requiring the following

## NEW Masonry Fireplace Inspections

- **FIREPLACE HEARTH:** before placement of concrete
- **THROAT:** after the first flue liner is set
- **THIMBLE:** after the thimble and first flue liner is set

This inspection will not be required on any building or chimney that has an approved close-in inspection prior to March 1, 2007.
